The office of the Florida National Building and Loan association has been removed to the second floor of the opera house block. It was quite an undertaking to move the big safe up the stairs this hot weather. But Louie is the man that can do it.

H. G. Haycraft, traveling passenger agent of the Plant system, is a happy man. He worked up the biggest excursion to Tampa last week that has yet been recorded. His superiors in office are highly pleased with his efforts. He is an all around good railroad man, and is making a fine record.

Faith in the Future Orange Crop.

An important transfer of real estate was made yesterday at Citra, Fla., in which the ten-acre orange grove known as the George Conisour place was transferred from Henry G. Dunn to C. L. Ward. The price paid was \$5000. Eighteen thousand dollars, we understand, has been offered and refused for this grove in the not distant past.

Mr. Ward called this morning and spent a few minutes in social conversation, and in the course of his remarks said:

"I think I have made a good purchase and believe that in three years from the time I bud, the grove will yield a handsome profit. The trees are sprouting very nicely, and growing rapidly. The land on which the grove is situated is the best to be found, and it has every advantage necessary to make a rapid growth."

Mr. Ward is a genial good fellow, and we are always pleased to have him call at our sanctum.

Collector King has moved to his elegant new quarters on the second floor of the Masonic Temple, where he has two beautiful front rooms, and when seen by a STAR man this morning, both he and his able deputy, E. T. Williams, seemed as happy as clams at high tide. Their offices are as neat as a pin, handsomely furnished and very attractive. These gentlemen are kept pretty busy of late. There are so many entries to be made for each article received or withdrawn, every item having to be placed on each of the ten books, besides numerous other forms, receipts, etc. John King, who is warehouse master, also has a good deal to do and lots of red tape to go through with. His duties keep him pretty closely confined to the warehouse. Our custom house is a good and paying position, and the men who fill the office are a credit to the same.

Fourth of July holiday rates on 2d, 3d and 4th, good until July 7, at one fare for the round trip to any point in Florida. On July 2 and 3 to any point east of the Mississippi and south of the Ohio and Potomac rivers at one and one third fare for round trip, good until July 7; via F. C. & P. railroad.

Any person desiring a nice home with one acre of land set out with bearing fruit trees, can secure one by paying a small amount of cash and easy monthly payments. Enquire at STAR office.

The ladies of the Baptist church will serve refreshments on Saturday, the 6th, instead of on the 4th, as announced.

Dr. W. A. Chisholm and wife will leave tonight for Savannah, where they will spend a few days visiting.
